

FACTSHEET

Zimbabwe Electoral Commission Capacity Building Project

The programme has a longer-term vision of developing the institutional, organizational and electoral capacity of the Zimbabwe Electoral Commission (ZEC). This vision is spread over a 5-year period 2016-2020 and is aligned with the ZUNDAF 2016-2020 and ZEC Strategic Plan 2016-2020.

OBJECTIVES

The programme aims to develop ZEC’s institutional capacity with a focus on providing technical assistance on developing a new voter registration system; capacitating ZEC, especially its information services and voter registration departments; embarking on robust voter education campaign; reaching out to electoral stakeholders and building their trust in the electoral process and making the election system sustainable”
